

ULTRASOUND 2024
Delegate Pack

Dear Delegate

Thank you for registering for Ultrasound 2024 which will be held at Coventry Building Society Arena, Coventry between Tuesday 10th December and Thursday 12th December 2024.

Ultrasound 2024 promises to be an innovative and exciting programme set within a superb venue at a location with transport links to all areas of the UK.

As usual, the Conference is complimented by a highly regarded Technical Exhibition, which is the pre-eminent showcase for new and established ultrasound manufacturers and suppliers to display their equipment and services covering a wide range of specialties.

If you have any questions regarding your registration, please do not hesitate to contact the BMUS office on 0207 636 3714 or email bookings@bmus.org with Ultrasound 2024 in your subject line.

Further information is available on the following pages.

Venue Details

Coventry Building Society Arena
Judds Lane, Longford
Coventry
CV6 6AQ

Getting There

Coventry Building Society Arena is in the heart of the UK with excellent transport links to London, Birmingham and the Midlands. The venue is within two hour's drive of 75 per cent of the country. By rail, Coventry is 55 minutes from London and 20 minutes from Birmingham Airport, with easy access to the M6 and wider motorway network.

By Road

Coventry Building Society Arena is easily accessible by car, railway and bus, conveniently situated off Junction 3 of the M6. To visit us by car, enter the postcode CV6 6AQ into your sat nav.

Car Parking

We have 2,000 on-site car park spaces. We recommend you park in **Carpark B** for the Conference. This will bring you into the Arena on the South side entrance, which is closer to the BMUS Conference.

By Train

Coventry Arena Station is on the Leamington-Nuneaton line and only eight minutes from the main Coventry train station. There are multiple bus routes available from the retail park opposite the arena.

Air Travel

Birmingham International Airport only a 20 minute drive away.

Accommodation

Delegate accommodation is being organised by P&G Management, our specialist conference and exhibition hotel reservation service.

To arrange your room please use this link <https://pandgmanagement-bookings.co.uk/event/bmus2023/>

Registration

The conference will be located in the Convention Centre of Coventry Building Society Arena. To access the conference please use the **South Side Entrance**. The registration area will be located in the foyer down the stairs on the left hand side of the entrance. There will be two desks: Pre-registered, and the Cash Registration desk. Signage and student volunteers will be in place to help guide you.

If you have already paid for your registration you can collect your delegate pack from the Pre-registered desk.

If you have pre-registered and have been advised by BMUS that your payment or an official Purchase Order from your workplace has not yet been received, please go to the Cash Registration Desk on the right-hand side for assistance.

To register on the day please also proceed to the Cash Registration Desk on the right-hand side with either full payment or an official Purchase Order from your hospital/organisation.

Please note, unless payment is made prior to arrival, or you bring an official Purchase Order with you, you will not be allowed to enter any part of the conference.

Please ensure you are **wearing your pass at all times** - these will be checked before entering any session or the exhibition. If your pass is not visible to the student volunteers or staff, you will not be able to gain access. Should you experience any problems with your pass, please see the staff at the Cash Registration Desk.

At the end of your visit to Ultrasound 2024, please leave your pass in the designated box in reception (recycling helps save the planet!).

BMUS Contacts

The Editorial team from the Ultrasound Journal will be available throughout the conference on the BMUS stand to discuss opportunities in how you can publish your research. Should you wish to arrange to meet with the Editor in Chief, Colin Griffin, please email tracey@bmus.org to arrange a meeting time.

Event Organiser Emma Tucker – emma@bmus.org

Event Support Joy Whyte - joy@bmus.org

Delegate Registration Courtney Scott – bookings@bmus.org

Exhibition Co-ordinator Tracey Clarke – tracey@bmus.org

To speak to someone, please call 0207 636 3714 (please bear in mind, the BMUS staff will only be available on this number until Friday 6th December; after this date please email bookings@bmus.org for assistance, as this will be monitored throughout the ASM meeting).

Conference Details

Scientific Programme

Full details of the scientific programme will be available at the conference in the printed programme which forms part of your delegate pack, this will be available within your delegate bag at the registration point.

Unfortunately, some changes to the programme can be extremely last minute and are often outside of BMUS's control. Should there be any such changes, we will attempt to bring these to your attention via a tannoy announcement during the refreshment/lunch break and/or at the beginning of the session by the Chair.

The Technical Exhibition will be held in Hall 3. This is also the location for where lunch & refreshments will be served.

Tuesday 10th December

Registration from 8:00am
Exhibition from 08:30am - 6:00pm
Scientific streams from 9:30am – 5:00pm
Student and Trainee Session 9.30 – 15.30
Donald MacVicar Brown Lecture at 4.00pm
The Welcome drinks reception is at 5:00pm and will be held within the Exhibition Hall

Wednesday 11th December

Registration from 08:00am
Exhibition from 08:30am - 5:00pm
Scientific streams from 08.30am – 4.30pm
THUNDDAR 13.00 - 16.30pm
Winter Ball and & Awards Ceremony from 7.00pm

Thursday 12th December

Registration from 08:30am

Scientific streams from 09:00am - 4:00pm

Poster Exhibition

The Poster Exhibition will be located in the Exhibition Hall.

Conference Catering

Catering on each day of Ultrasound 2024 will be available from the catering points in the Technical Exhibition area. Refreshment tickets will be enclosed in your delegate pack and should be exchanged at these points.

Practical Training Sessions

Attendance at these sessions requires pre-booking, we advise registering prior to the conference as places are limited.

Wrist Bands

Individual wrist bands will be issued for the practical training workshops; these wristbands must be worn when attending these sessions:

Day 1

MSK Upper Limb 11.30 – 13.00

MSK Lower Limb 14.00 – 15.30

Day 2

Interventional 08.30 - 10.00

Breaking Bad news 10.30 - 12.00

Liver Doppler 13.00 - 14.30

PoCUS 15.00 - 16.30

Day 3

Endometriosis 09.00 - 10.50

Chair and Standing Yoga 11.20 – 13.10

During each of the practical training sessions, delegates will be put into small groups in order to facilitate learning. The lead tutor will allocate each colour group to a specific scanning booth at the beginning of the scanning session, each colour group will then rotate around the scanning booths. Please familiarise yourself with the coloured dot appended to your wrist badge to ensure you are part of the correct group.

Social Programme

Welcome Reception

All delegates attending the conference on Tuesday 10th December are invited to attend the Welcome Reception, which will commence at 17:00 within the Technical Exhibition area.

Winter Ball and Awards Ceremony

The Winter Ball will be held at Coventry Building Society Arena, Premier Lounge South, on Wednesday 11th December 2024.

It is expected that this year's event, like previous Winter Balls, will sell out and tickets should be bought and paid for in advance. Tickets may not be available to purchase at the conference, however, please check availability with the staff on the Cash Registration Desk.

If you are attending the Winter Ball and have any special dietary requirements, e.g. vegetarian etc. please complete the relevant section on the registration form. If you book your ticket after you have registered, please email bookings@bmus.org to confirm your needs.

Please note: You must bring along your ticket to gain access to the dinner.

Dress Code: Smart Dress, no jeans or trainers

CPD Certificates

CPD certificates can be obtained by completing the BMUS feedback survey. This will be emailed to you at the close of the conference on the 12th of December. Once you have completed and submitted the feedback form, the CPD certificate will be sent to your booking registered email address. **Please note these will not be issued immediately upon completion, but by January 31st.**

Ultrasound 2024 Microsite

A week before the conference commences the Conference Micro Site will be launched. This will contain up to date information about speakers, training sessions run by exhibitors, and allow you to take part in live voting sessions during the conference.

Technical Exhibition

A full list of exhibitors will be issued nearer the date of the conference; as each exhibitor is confirmed it will be announced on the BMUS website at www.bmus.org. The exhibition area can be accessed through the South Side Entrance, and down the stairs to registration foyer on the lower ground floor.
