

General Medical Study Day 2025

LIVERPOOL
MARRIOTT LIVERPOOL CITY
CENTRE, L1 1RH

7th March

The aim of the day is to offer a refresher and introduce new thoughts in native renal tract imaging and pathologies, lower genitourinary (GU) systems and transplant imaging. The day will be aimed at sonographers and radiologists-in-training, or anyone with a special interest in GU imaging. This course is worth 6 CPD points.

REGISTRATIONS CLOSE: 25TH FEBRUARY 2025

BMUS)))
