31st March 2025

**30 SPACES
AVAILABLE**

Nottingham - The Jubilee Hotel
and Conferences, Triumph Road,
NG8 1DH

Enhance your clinical ultrasound practice for HCC surveillance. This study covers the knowledge and skills for ultrasound practitioners performing HCC surveillance imaging. The faculty will take you through the NHS England guidance released in 2024 and guide the delegates to go away feeling confident and competent in imaging and reporting in their departments to a high standard.

This will be a lecture, and practical-based day with hands-on training.

REGISTRATIONS CLOSE: 21st March
