BMUS

MSK 2025
STUDY WEEKEND

MANCHESTER
PARK INN BY RADISSON
MANCHESTER CITY CENTRE,
M4 4EW

10th - 11th MAY

Join us for this 2-day introduction course to MSK ultrasound, focussing on a multi-disciplinary approach - with lectures and practical training sessions led by experts in their fields. The areas that will be showcased will be the ultrasound of the shoulder, upper limb including hands, wrist and elbow, with an introduction to ultrasound in the field of Rheumatology.
